

將直立式螢幕插上電源並從背面按下開機鍵

Plug the vertical display into the power source and press the power button on the back to turn it on

一、後臺放檔案步驟

Backend file upload procedures

成功登入後臺之畫面

Backend interface after successful login

1. 使用電腦進入下方連結並登入帳號密碼(向系辦遞交媒體播放申請表時請一併索取帳號密碼)

Use a computer to access the link below and log in with username and password.

(Please request the username and password from the department office when submitting the Application Form for Information Dissemination).

<https://w3.farbar.ai/channels/channel30/cms31/login.php?cntcode=7Tfgv&>

2. 點選頻道管理

Click on channel management

*可選擇的頻道為

◆ 預設(觸控)---指播放多張圖檔且會自動切換

◆ 預設(插播觸控)---指固定只播放一張圖檔

*Selectable channels:

◆ **Default (Touch):** Displays multiple images with automatic rotation.

◆ **Default (Interrupt Touch):** Displays only one image.

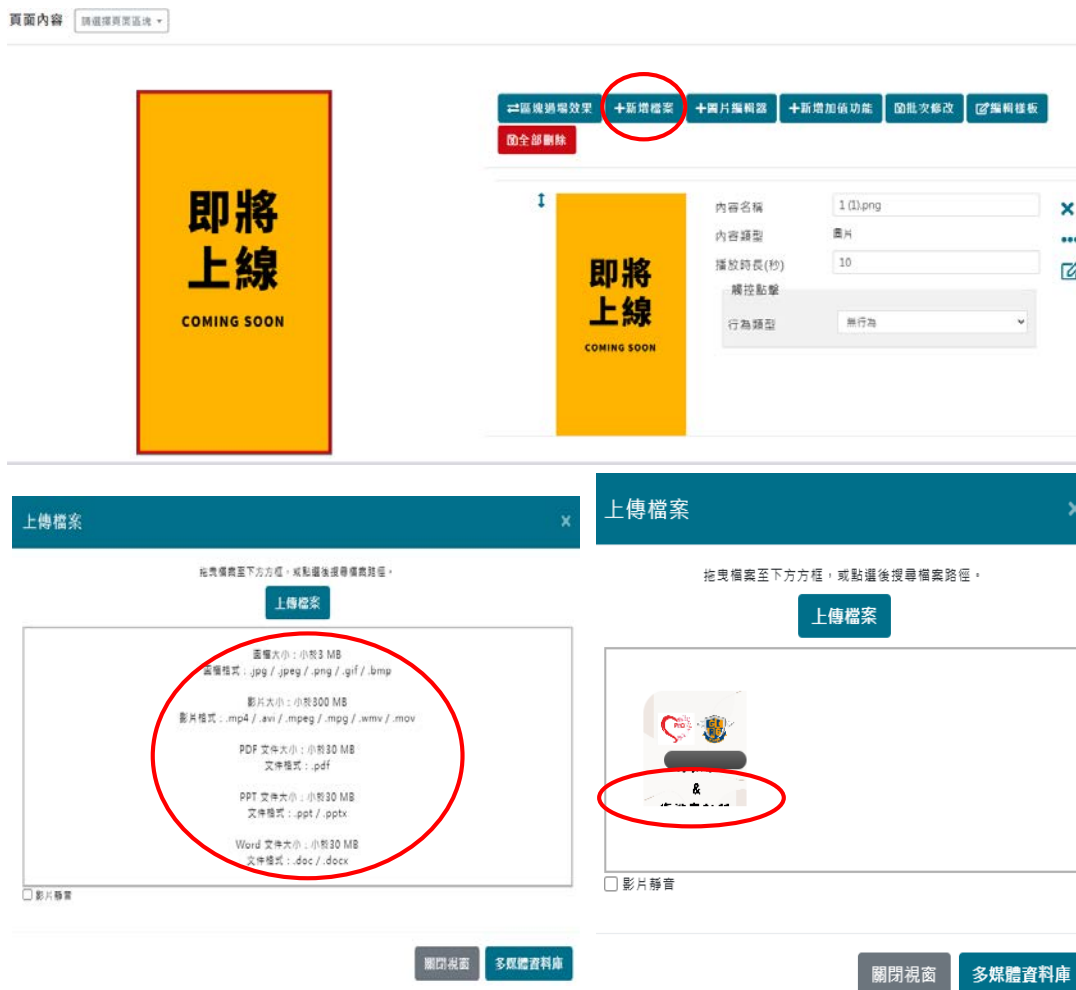

3. 選擇欲放檔案的頻道後按 

After selecting the channel where you want to upload the file, click 

4. 下拉頁面至**互動節目**處後點按**預設頁面**

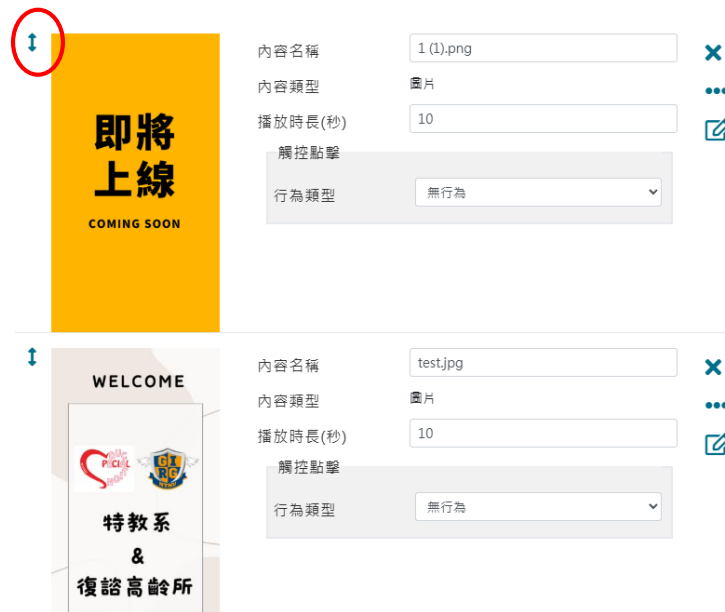

Scroll down the page to the **interactive program** section, then select the **default page**.

5. 點按**新增檔案**後將檔案拉進上傳處等它跑完
圖檔尺寸務必為1080px * 1920px 方能匯入系統

Click **add file** and drag your file into the upload area, then wait for the upload to complete.

Image files must be 1080px × 1920px to be imported into the system.

圖檔成功匯入之畫面

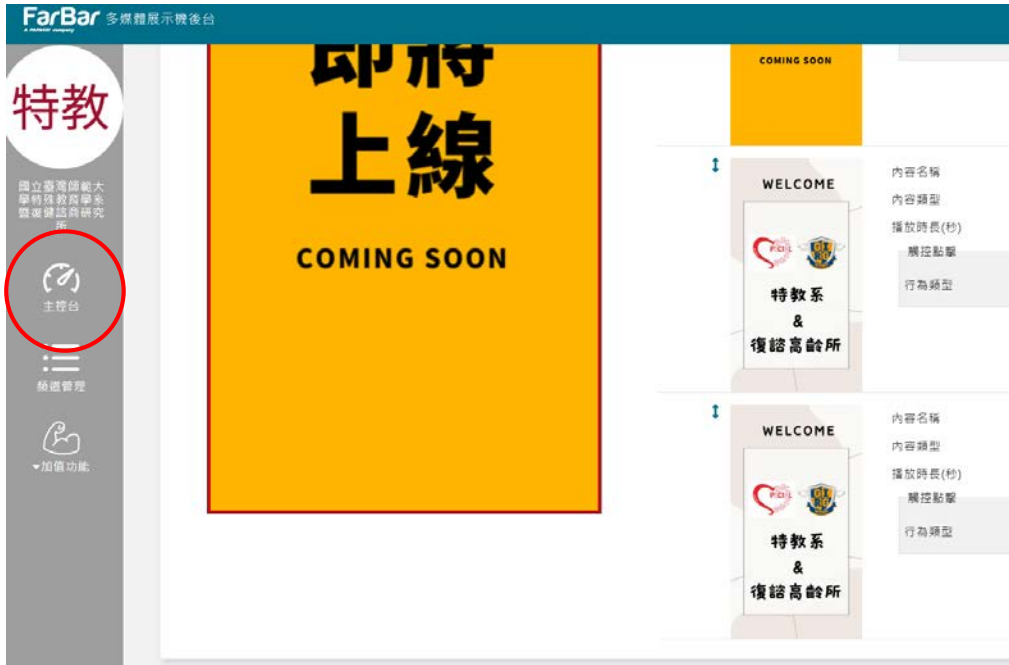

Screenshot Showing Successful Image Import

按著即可上下調整圖檔的順序
Hold and drag to rearrange the image order.

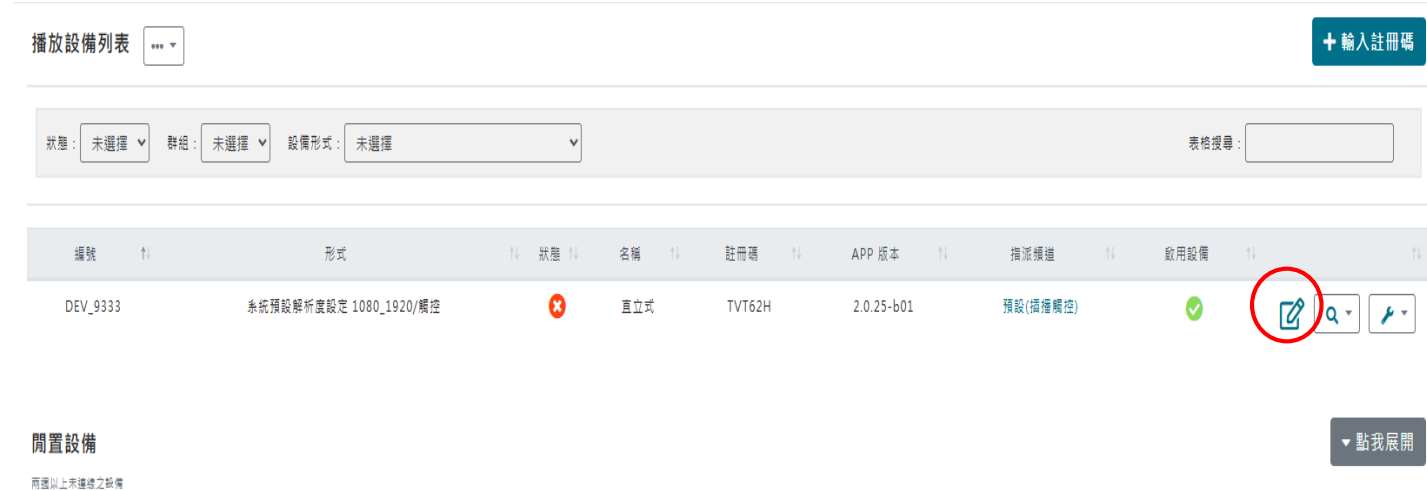

二、切換頻道步驟

Steps for switching channels

1. 點選主控台

Select dashboard

2. 選擇直立式螢幕的機型後按 

After selecting the model of the vertical display, click
